

# UNIVERSAL BLIND KIT

Instruction and Safety Manual

**MODEL: HEH00516**

- **ALWAYS** Wear a Safety Harness with this Product
- **Install at Ground Level**
- **NEVER** Leave Skirt on Stand When Not In Use

Style of ladderstand may vary. Please refer to manufacturer's original instructions for assembly.

1. With the help of two other people, lower the stand to the ground.
2. Tie the upper part of the Skirt around the Side Rails and Shooting Rail to the points as shown.
3. Tie the lower part of the Skirt to the Foot Platform directly below the upper ties.
4. The self sticking fabric strip must run from the center of the shooting rail to the center of the foot platform.
5. Raise the stand following the manufacturer's instructions.
